Sometimes I wonder where I get this evil streak from  
Oh how I hate to be beaten at anything

And I know that I love you but I just want to hurt you  
And I know that I love you but I just want to hurt you

Got you trained so you are obedient  
God help you if you should let me down

And I know that I love you but I just want to hurt you  
And I know that I love you but I just want to hurt you

Climb the walls to view the limits  
See the barriers in sight and break them all right down

And I know that I love you but I just want to hurt you  
And I know that I love you but I just want to hurt you

Oh baby I know I sometimes go too far  
I see that look of fear on your face

And I know that I love you but I just want to hurt you  
And I know that I love you but I just want to hurt you  
Yeah I know that I love you but I just want to hurt you  
Yeah I know that I love you but I just want to hurt you
