In this life we make compromises  
Everyday just to survive all the harshness of this life  
Of this life  
Every day we walk away from things  
We want to keep, We want to keep  
Like your love

I always loved you  
I always loved you  
I always loved you  
I always loved you

It's the heart break you've gotta live with  
You carry that weight in your soul  
Carry that weight in your soul  
It's all the time you wanna turn back  
Always looking over your shoulder  
It's all that you've lost

I always loved you  
I always loved you  
I always loved you
