I never thought that was where our story would end but
it is

It is a fullstop it's an exclamation mark

it's a point of rejection we've reached

It's the point where forgiveness does not apply

Oh don't say you're sorry cos I'm not
listening now

It's the point where I'd unwrite every love song
that I wrote for you

And replace them with songs about all of the wrongs

The wrongs that you do

Cos I don't think you're cute anymore

No I don't think you're cute anymore

No I don't think you're cute anymore

Oh I don't think you're cute anymore

Oh it's not cute, oh it's just not cute, it's not
cute to be so rude

Oh it's not cute, it's just not cute it's just not
cute to be that rude

This is the point where forgiveness does not apply

This is the point where you cannot buy affection from
someone you cannot afford

Oh this is the point where no forgiveness applies

Oh this is the end of the line for us

One fullstop

One fullstop

Cos it's not cute to be so mean to boot somebody
that ain't fighting back

Oh it's not cute to be so rude

I don't think you're cute anymore

I don't think you're cute anymore

it's just not cute, it's just not cute, it's just
not cute to be so rude

it's just not cute, it's just not cute, it's just
not cute to be so rude

There is nothing cute about you at all

I take what I said back

I break those words

Oh itâ€™s not just not cute, itâ€™s just not cute be so
rude
Itâ€™s just not cute to be so rude
