It's that awkward silence when you're not sure what to  
say  
Going out for coffee and end up just hesitating  
I said, oh talk about the weather  
You'd think we'd get some sunshine but it's all just rain,  
all just rain  
Gonna be another year older soon enough

I gotta learn to say what I mean, yeah, I gotta learn to  
say  
I gotta learn to say what I mean, oneday, I gotta learn  
to say  
I like you  
I like you  
I gotta learn  
I gotta learn

I gotta learn before it's too late  
I gotta learn to say I like you, I like you  
I gotta learn to say before it's too late, I like you  
'Cause I do, I like you 'cause it's true

I walk in the rain and just think about that some more  
I need to say before it's too late  
I need to say before it's too late  
That I like you  
I like you  
I like you  
I like you  
I like you  
Oh Oh I like you
