Watch what you say
Watch what you do
Take care whatever you do
Just please look after you
I care too much for you

Please don't you worry it'll be alright
Please hold on baby
I'm still waiting for you
Cause I loved you too much
No you don't know exactly how to feel
Cause I never get to reveal
And I love you too much

And I lllll love you too much
It won't change it won't go away
Won't rearrange and be something different
I love you too much
Oh oh oh oh oh oh
I'd always wait
I'd always wait
I love you too much

Nobody else comes close to you
Nobody else would ever do
I love you too much
I wait I wait I wait I wait for you
I love you yeah

I love you yeah I love you yeah I love you too much
I love you yeah
I love you yeah I love you yeah I love you too much
