Didn't come here looking for love
Didn't come here searching for lust
Oh take the hint, oh take the hint
Your conversation is boring me to tears

No great adventures will be found here
Cos you're just not my type

Oh take that look right off your face
The one that says why can't you love me the way I love
you?
Yeah take that look right off your face
The one that says why can't you love me back the way I
love you?

Cos I'm a ice queen my heart is mean
Oh I'm a ice queen and I don't want you
Ice queen cos my heart is mean, oh I'm a ice queen
and I don't want you

So what's your problem, so what's your problem
No means no
Don't declare love for people you don't even know
You'll be so sorry, you'll be sorry if you don't listen
No sweet words just sharp truths

So take that look right off your face
The one that says why can't you love me the way I love
you?
Yeah take that look right off your face
The one that says why can't you love me back the way I
love you?

Cos I'm a ice queen my heart is mean
Oh I'm a ice queen and I don't want you
Ice queen cos my heart is mean, Oh I'm a ice queen
and I don't want you
ice queen cos my heart is mean
Oh I'm a ice queen and I don't want you

Take that look right off your face

The one that says why can't you love me the way I love
you?
Yeah take that look right off your face
The one that says why can't you love me back the way I
love you?

Cos I'm a ice queen my heart is mean
Oh I'm a ice queen and I don't want you
Ice queen cos my heart is mean, oh I'm a ice queen
and I don't want you
ice queen cos my heart is mean
Oh I'm a ice queen and I don't want you
ice queen cos my heart is mean
Oh I'm a ice queen and I don't want you
