All these questions be unanswered
Oh so hard to say exactly what you mean
Oh suspicion you stay real close but i'll take your word
for it

Does she know that my heart is breaking?
Can she feel it when I look in her eyes?
Does she know my heart is breaking?
Can she feel it when I look in her eyes?
Does she know?

Oh where do we go from here?
Spinning round out of control it's clear
Send me clear instructions
Send me a guide to your heart
Cos I don't know where I stand
I feel shipwrecked oh so stranded

Does she know that my heart is breaking?
Can she feel it when I look in her eyes?
Does she know that my heart is breaking?
Can she feel it when I look in her eyes?
No matter how i try to hide it my heart is breaking
No matter how I try to hide it my heart is breaking

Does she know that?
And would she care?
oh chained up in silence there's no escaping
Does she know my heart is breaking?
Does she know when I look in her eyes?
Does she know my heart my heart is breaking?
Does she know when I look in her eyes?
