I have self destructed in pursuit of your love  
I have crumbled on my knees and you are what I  
begged for  
You walk on by you don't see me break  
But I melt and fall on my knees for you  
You should know you feel like home to me  
Oh ain't no other feels like home  
there ain't no other I'll love like this  
Oh your arms feel like home to me  
Oh your arms feel like home to me  
feels like home  
feels like home to me  
feels like home  
feels like home to me

Ain't no distance I won't go  
Ain't no hurt would stop me  
there ain't no other that feels like home  
You're the only one that makes me feel like this  
Oh Feels like home  
Your arms feel like home  
Oh you feel like home to me  
you feel like home  
you feel like home  
you feel like home  
feel like home to me  
you feel like home to me

Ain't no other makes me feel like  
you feel like home to me  
your arms feel like home  
feels like home  
feel like home to me  
feel like home to me  
oh you feel like home to me
