For a minute I thought you felt the same
but then you broke off your stare
and your introduced your new girlfriend

Her eyes blue and shine like diamonds
Her bank balance very near the millions
so how could I ever win your love?

It's not fair
It's not fair
Love is only for the beautiful and the wealthy
Love is only for those that can afford it
Love is only for the beautiful and the wealthy
Not me, not me

You'll never know how much I love you
You'll never know true love
You always go with the highest bidder
and that is what rules me out

It's not fair
It's not fair
Love is only for the beautiful and the wealthy
Love is only for those that can afford it
Love is only for the beautiful and the wealthy
Not me, not me
