You're a shadow of your former self  
Standing in the rain at the railway station  
Was that a tear in your eye?  
Or was it just the rain running down your face?  
A lot of years have passed now  
You're just a kind stranger now

I can honestly say  
you're the lover I gave away  
You're just a kind stranger now

I'm so sorry if I broke your heart  
I'm so sorry I had to break your heart  
I'm so sorry if I broke your heart  
I'm so sorry I had to break your heart  
I'm so sorry if I broke your heart  
I'm so sorry I had to break your heart

You're a kind stranger  
You're just a kind stranger  
You're a kind stranger  
You're just a kind stranger

I was only 18, and too afraid to fight for love  
And I was in love with someone else  
You always had such high expectations of me  
But you knew I'd break your heart and I did

I'm so sorry if I broke your heart  
I'm so sorry I had to break your heart  
I'm so sorry if I broke your heart  
I'm so sorry I had to break your heart

You're a kind stranger  
You're just a kind stranger  
You're a kind stranger now  
You're just a kind stranger  
Oh kind stranger  
yeah kind stranger  
oh kind stranger  
oh kind stranger

Kind stranger
