some say I'm mysterious
others say I'm intimidatng
but they are all wrong I'm fascinating
I'm what you've been waiting for
I'm the real deal, I'm the real deal

I'll be your love manual
I'll make sure you get it right tonight
I'll be your love manual
I'll make sure you get it right tonight
You can relax, relax, relax
You can relax, relax, relax
cause you're in safe hands
cause you're in safe hands

Don't be embarrassed everybody needs a little help
sometimes
There is a lot of pressure to be perfect
Hardly anyone makes the grade
You've got to understand I want it all and I want it right
now

I'll be your love manual
I'll make sure you get it right tonight
I'll be your love manual
I'll make sure you get it right tonight
You can relax, relax, relax
You can relax, relax, relax
cause you're in safe hands
cause you're in safe hands

You might be alone in the morning
You might be alone in the morning
but right now you have company
yeah right now you can have me

I'll be your love manual
I'll make sure you get it right tonight
I'll be your love manual
I'll make sure you get it right tonight
You can relax, relax, relax

You can relax, relax, relax
cause you're in safe hands
cause you're in safe hands
cause you're in safe hands
