Will you ever find forgiveness in your heart  
Will we run out of time or will we finally be  
able to be in same room for more than 5 seconds  
without an argument tearing us both apart

Oh maybe maybe  
oh maybe maybe  
I'm the one that's meant for you  
Oh maybe maybe  
oh maybe maybe  
I'm the one that's made for you  
Oh maybe maybe  
oh maybe maybe  
I'm the one that's meant for you  
Oh maybe maybe  
oh maybe maybe  
I'm the one that's made for you

We are like two polar opposites  
yet we are drawn together  
you like things I hate  
I like you anyway  
I'd love to be the one you settle down with  
but I need to calm down  
not be so high maintenance I guess

maybe maybe  
oh maybe maybe  
I'm the one that's made for you  
Oh maybe oh maybe  
oh maybe oh maybe  
I'm the one that's meant for you  
oh maybe oh maybe  
oh maybe oh maybe  
I'm the one that's made for you  
Oh maybe oh maybe  
oh maybe oh maybe  
I'm the one that's meant for you

I can't quite get it right when you're around  
I always say something that brings you down

You look so disappointed  
I know because you just want something more  
but I don't know how to deliver  
agony is the only thing I give you in any real quantity  
but I'm oh so sorry

oh maybe oh maybe  
oh maybe oh maybe  
I'm the one that's made for you  
Oh maybe oh maybe  
oh maybe oh maybe  
I'm the one that's meant for you  
oh maybe oh maybe  
oh maybe oh maybe  
I'm the one that's made for you  
Oh maybe oh maybe  
oh maybe oh maybe  
I'm the one that's meant for you

I just need my heart to accept the news  
I just need my heart to accept it's you  
I just need my heart to accept you  
I just need my heart to behavee
