The truth is my heart breaks for you  
My hands are tied I had to let to go  
I always give you what you say you need  
I'd never stand in the way of your happiness  
If that is what you want then that is what you will get  
If that is what you want then that is what you will get  
but you don't know what you do to me  
you don't feel what I feel

My heart breaks at the sight of you  
My heart breaks  
My heart breaks at the sight of you  
My heart just breaks  
My heart just breaks  
My heart just breaks  
My heart just breaks

time after time we try to sort this out  
You always need to be in control  
even when you are calling all the wrong shots  
I said you don't know what you do to me  
You don't feel what I feel

My heart breaks at the sight of you  
My heart breaks  
My heart breaks at the sight of you  
My heart just breaks  
My heart just breaks, at the sight of you  
My heart just breaks  
My heart just breaks  
My heart just breaks  
My heart just breaks  
My heart just breaks  
My heart just breaks  
My heart just breaks  
You don't know what you do to me  
You don't feel what I feel  
My heart breaks at the sight of you  
My heart breaks at the sight of you
