You honestly believe you are greatest catch that ever  
came along  
You honestly believe that you are the lover of the  
century  
And now will you see you are just another egotistical  
fool thinking that they had me

but I'm not gonna give you the satisfaction  
I'm not gonna give you  
I'm not gonna give you the satisfaction  
I'm not gonna give you my tears

You build up your defences so never get hurt  
You spend your whole life breaking down everybody  
else's  
You hurt me just because you think that you should  
And it makes you feel alright

I'm not gonna give you the satisfaction  
I'm not gonna give you  
I'm not gonna give you the satisfaction  
I'm not gonna give you my tears

I'm saving all my tears for somebody who is worth it  
I'm saving all my tears for someone who is a better  
lover  
I'm saving all my tears for somebody who is worth it  
I'm saving all my tears for anybody but you

I'm not gonna give you the satisfaction  
I'm not gonna give you  
I'm not gonna give you the satisfaction  
I'm not gonna give you my tears
