I stand where you stood  
I live as you do  
Well some might say I'm your nemesis  
I've never seen it that way  
I've always seen it that we weren't competing anyways  
But things will change, things will change  
One day I'll step up to you  
Things will change, things will change  
One day I'll step right up to you

oh I'll be your nemesis, I'll be your nemesis  
one day I'll be your nemesis

It'll be a thousand miles away from the days when I  
tried to be your friend

I'll be your nemesis, I'll be your nemesis  
I'll be your nemesis then  
I'll be your nemesis, I'll be your nemesis  
I'll be your nemesis then  
We won't be friends then

Think about hardly think about what you've done to me  
Before you cast some judgement on me you made  
yourself a monster  
Would you really like the world to know?  
Would you really like the world to know?  
We can take it there  
We can show them all  
Cos I'll be your nemesis, I'll be your nemesis  
I'll be your nemesis  
I'll be your nemesis

One day I'll step up to the line  
One day I'll step up to you  
I will be your nemesis  
I will be your nemesis

One day I'll step up to you  
I'll be your nemesis  
Like you want me to

Iâ€™™ ll be your nemesis  
Iâ€™™ ll be your nemesis  
Like you want me to  
Iâ€™™ ll be the best enemy youâ€™™ ll have  
Iâ€™™ ll be the best enemy youâ€™™ ll have  
Iâ€™™ ll be the best enemy youâ€™™ ll have  
Iâ€™™ ll be the best fight you ever fought  
Iâ€™™ ll be your nemesis  
I could be the best enemy youâ€™™ ll ever have  
Iâ€™™ ll be your nemesis  
Iâ€™™ ll be the best enemy you could dream for  
I could be nemesis  
I could be nemesis  
I could be the best enemy you ever have
