I don't take direct orders from anyone
I won't conform, I won't be led
Let's protest, let's rebel let's tell them all
the truth has become so disguised in this

I'm not like all the other girls, I'm a rebel
I'm not like all the other girls, I'm a rebel
I stand on my own always on the outside looking in
I'm a rebel, I'm a rebel

The whole country is in a state
a whole new generation gone to waste
No fancy gifts will impress me
I'm not manipulated by corruption and greed

I'm not like all the other girls, I'm a rebel
I'm not like all the other girls, I'm a rebel
I stand on my own on the outside looking in
I'm a rebel, I'm a rebel

Mass manipulation in the press
they just sell you lies
Come on people have opinions and be free

I'm not like all the other girls, I'm a rebel
I'm not like all the other girls, I'm a rebel
I stand on my own on the outside always looking in
I'm a rebel, I'm a rebel

I'm not like all the other girls, I'm a rebel
I'm a rebel, I'm a rebel
I'm a rebel, I'm a rebel
