I seem to live my life in a constant state of confusion
Never knowing what's the right thing to say or do
Your world is ordered while mine is a desert of chaos
I'm struggling to get through each day in my own
particular way

I do what I can, the formula works for you
I do what I can, I do what I have to do
I do what I can, I do what I have to do

I'm just not sure that I'm the one you're looking for
I'm just not sure that it is really me
Yeah Yeah I'm not the one you seek
Yeah Yeah I know it's not me
I could never be the girl of your dreams

I could never be the girl of your dreams
Never
Oh baby I could never be the girl

The life you could offer me would be too secure
I need excitement uncertainty
I need the great unknown
You're such an angel I'd drag you down with me

I'm struggling to get through each day in my own
particular way
I do what I do what I have to do
I do what I can I do what I have to do

I'm just not sure that I'm the one you're looking for
I'm just not sure that it is really me
Yeah Yeah I'm not the one you seek
Yeah Yeah I not the one you need
I could never be the girl of your dreams

I could never be the girl that you seek
Oh I could never be the girl of your dreams
I could never be the one you seek
