Want to be answer to your problems once again
Want to be the one thing that you need
And no answers for me
Because I seek but it leads me back to you

Could I be the one thing that you need
Could I be the one thing that you need
Oh oh oh oh oh oh oh
You don't need to look around you've found me
You don't need to be lonely I'm with you
Could I be the one thing that you need
Could I be the one thing that you need
Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Could I be the one thing that you need
Could I be the one thing that you need
Could I be the one thing that you need
You don't need to look around you've found me
And you're not alone anymore
Could I be the one thing that you need
Could I be the one thing that you need
Oh oh oh oh
