Did you forget we had an agreement?
When we were all grown up we'd get married
We didn't care if weren't quite legal
You promised we'd get married
So I thought this must be our engagement
but then I heard you married some geezer
And I wondered what's going to happen now?
What were you thinking?

What's going to happen to our arrangement now you've
gone and married somebody else?
And I was a fool I just waited for you
Afterall we did have an agreement

Oh we're both vegetarian cos we both love animals
And want them to have equal rights
But all I'm saying is what became of all the promises
we made
You even picked your dress

Oh what's going to become of our arrangement
Now you've gone and married someone else and like a
fool I just waited on you
Did you forget about our arrangement?

Well I never forgot you
I just acted scatty
Cos I couldn't believe it when I met you
After all this time still fancy you rotten but it's too late
cos you married someone else

Oh what will become of our arrangement?
Oh I waited but you married someone else
Oh oh What was you thinking Cos I waited for you
Afterall we did have an arrangement
Afterall we did have an arrangement
Afterall we did have an arrangement
An arrangement to marry
