I feel your presence when you enter the room  
and it excites me, oh yeah you excite me  
yeah you excite me, I feel your heartbeat  
faster and faster, I hear your breathing change  
Is this desire? Is this desire?  
Shower me in all your desire

I wanna touch you  
I wanna kiss you  
I wanna squeeze you  
I wanna please you, oh please  
I wanna touch you  
I wanna kiss you  
I wanna squeeze you  
I wanna please you

Even if you dont want me just play along  
just play along  
In the morning everything changes  
feelings sometimes fade away  
You're left feeling all rejected but I want you  
so I'll risk it, yeah I want you so I'll risk  
Yeah I want you so I'll risk it

I wanna touch you  
I wanna kiss you  
I wanna squeeze you  
I wanna please you, oh please  
I wanna touch you  
I wanna kiss you  
I wanna squeeze you  
I wanna please you, oh please  
Oh please, you excite  
oh please, you excite  
oh yeah you excite  
oh please you excite  
oh please you excite  
oh please you excite

I wanna touch you  
I wanna kiss you

I wanna squeeze you  
I wanna please you, oh please  
I wanna touch you  
I wanna kiss you  
I wanna squeeze you  
I wanna please you, oh please  
oh please, oh please, oh please, ah  
I wanna touch you
