Sharon, please listen, I didn't know
I didn't know what to do
It's like I just woke up from this bad dream to realise I'd
lost you
I said, Sharon, please listen, don't act in rage
I said, Sharon, please listen, I'm on my way
I said my love is true but we are both insane
I said my love is true but we've both made mistakes
I said, Sharon, please listen, I broke her heart in your
name
I said Sharon, please listen, cos I'm on my way
I said, Sharon, please listen, I broke her heart in your
name
Oh Sharon please listen cos I'm on my way

The look in your eyes I know trouble is ahead
I know you wanted me to oblige years ago
but you don't understand there's much more going on
and we've both been young and we've both been
foolish

I said, Sharon, please listen, I broke her heart in your
name
I said Sharon, please listen, cos I'm on my way
I said, Sharon, please listen, I broke her heart in your
name
I said Sharon, please listen, cos I'm on, I'm on, I'm on
my way
oh I'm on, I'm on, I'm on my way

Sharon, please listen, I broke her heart in your name
I said Sharon, please listen cos I'm on my way
And don't be mean, don't you lash out with rage
I said Sharon, please listen cos I'm on, I'm on, I'm on
my way
I said Sharon, please listen, I broke her heart for you
I said Sharon, please listen, there's nothing I wouldn't
do
I said Sharon, please listen, I broke her heart for you
And I'm on my way back to you
