you keep me waiting, you keep me hesitating
looking so confused, badly all abused
I never noticed my hands are shaking
I really wanted you, it's not a joke
Now that said, I'm waiting on your reply
reply, think I'm never get
Wait, wait
I'm waiting on your reply
Yeah, the one I'm never gonna get

I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting

What's this about?
You've got me in a mess
All I really want is one line from you
All you ever do is turn up and leave
You really mess with me, you really mess with me

And I'm still waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting

How long do you want me to hang on the line for?
How long do you want me to blankly stare at the
screen?

Oh I said I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
I'm waiting on your reply
still waiting, still waiting
