I'm not your, I'm not your insubordinate
I'm not your, I'm not your insubordinate
I won't do what I'm told, won't behave
I'm not your, I'm not your insubordinate
I'm not your, I'm not your puppet on a string
You can't control me so don't try
You can't own me and that's no lie
You can't control me so don't try
You don't own me

I'm not your, I'm not your , I'm not your subordinate
Oh I'm not your, I'm not your, I'm not your plaything
I'm not your, I'm not your , I'm not your subordinate
I said, I'm not your, I'm not your, I'm not your
subordinate
I'm not your, I'm not your, I'm not your subordinate
I'm not your

I won't be told what to think
I'm a free spirit I'll do as please
I won't be told what to do
You don't have enough power to control me
I'm not your, I'm not your , I'm not your subordinate
Oh, I'm not your, I'm not your , I'm not your subordinate
