Another winter on it's way
the leaves start to fall and sway
Another song about heartbreak to sing
I wish you could understand what I'm trying to say

It seems I've done all I could
It appears to be I've done all I should
but it is never enough for
it is never enough for you
oh it is never enough for you

Why don't you feel the love I send?
Why don't you feel the love I send?
How could you be so cold?
How could you be so cruel?
Why don't you feel the love I send?

It's a love that breaks all rules
It's a love that most don't see
An invisible force that binds two people deep in love
but you keep doubting the way I feel

It seems I've done all I could
It appears to be I've done all I should
but it is never enough for
it is never enough for you
it is never enough for you

Why can't you feel the love I send?
Why can't you feel the love I send?
How could you be so cold?
How could you be so cruel?
Why don't you feel the love I send?

Why don't you feel the love I send?
Why don't you feel the love I send?
How could you be so cold?
How could you be so cruel?
Why don't you feel the love I send?
the love I send
the love I send

the love I send
