I love everything you do
Even when you're acting crazy I think you're cute
I can't find the right words to say
words just burn me anyway

I'll do anything to make it up to you
Write your name across my skin if you want to
I feel that I can't get my message through
I'm saying I'll wait, I'm saying I'm in love with you
And I'll wait for you
Cos I'll wait for the perfect one
I'd wait for you
Cos I'd wait for the perfect one

I'm standing here for you
Cos I know what you want me to do
A big sign, a big gesture something so new
Let the whole world see that I'm in love with you
And I'll wait for you
Cos I'll wait for the perfect one
And I'll wait, wait for you
Cos I'll wait for the perfect love
Oh I wait for the perfect love
Oh yeah I'll wait for the perfect one
Oh yeah I'll wait for the perfect love
Oh I'll wait, wait for you
