I travelled all the way to see you with my heart in my hands  
but your message was recieved loud and clear I understand  
You're time waster baby, a cheat and liar and you always will be  
I doubt you even know what you really want and how to get it

time to let you go  
time to move on  
this is goodbye goodbye  
time to let you go  
time to move on  
this is goodbye goodbye  
this is goodbye  
time to let you go  
time to move on  
this is goodbye goodbye  
this is goodbye

Carry on live your live like you're living on a stage  
Fake smile after fake smile and I'll keep on being me  
I'm out to fool anybody and I'm not out to break no hearts  
I don't find it sport like you do  
tearing other people apart

it's time to let you go  
time to move on  
this is goodbye goodbye  
this is goodbye  
time to let you go  
time to move on  
this is goodbye goodbye  
this is goodbye  
time to let you go  
time to move on  
this is goodbye goodbye  
this is goodbye  
time to let you go

it's time to move on  
it's time to let you go  
it's time to move right on  
it's time to let you go  
it's time to move on  
it's time to let you go  
it's time to move on  
it's time to let you go  
it's time to move on  
it's time to let you go  
it's time to move on, move on  
it's time to move on  
it's time to let you go
