You don't need to pretend no more  
You don't need to lead me on I see it  
I wasted my time trying to love a fool like you  
I wasted my time trying to be what you needed

Time wasted loving you I won't get back  
Time wasted loving you I won't get back, I get it

You don't need to put another knife in me  
There's plenty here all along my back  
You've hurt me

Cos I know that real love don't feel like this  
Oh yeah I know that real love don't hurt like this  
Oh yeah I know that real love don't feel like this  
Oh yeah I know that real love don't hurt like this  
Oh yeah I know that real love don't hurt like this  
Don't feel like this

Time wasted loving you  
Won't get it back and I know it ain't easy to move on  
Throw my hands in air I swear one more fool like you  
and I will break apart  
At least I know, at least I know it don't hurt

Real love don't feel like this  
Time wasted loving you  
Real love don't hurt this  
love, don't hurt like this  
All those lines we crossed  
Oh you hurt me more  
You are so damn cruel  
Yeah you hurt me more regardless of what I do  
And I know real love don't feel like this  
Yeah I know real love don't hurt like this
