Oh tell me something that I don't already know
No point in arguing cos you are always wrong
I'm the domestic goddess in your life
Even though I can't cook or clean to save my own life
I'm the friction burn you don't need to hide
I'm the ruler of your private mansion
I'm the patron saint of your dimension
I'm something of a superstar in your bedroom

I'll be your trophy wife
I'll spend your money when your hard at work
Oh yeah, I'll be your trophy wife
I'll spend your money when your hard at work
Yeah right I'll be your trophy wife
I'll spend your money when your hard at work
Yeah right I'll be your trophy wife
spending your money when your hard at work

All I've got to do is say I love you
All I've got to do is say it like I mean it
But I find it so very hard, oh I find it so very hard
You dont ask for much but what you do is such a
burdern, such a burdern
You dont ask for much but what you do is such a
burdern, such a burdern

I'll be your trophy wife
I'll spend your money when your hard at work
yeah right, I'll be your trophy wife
I'll spend your money when your hard at work
Yeah right, I'll be your trophy wife
I'll spend your money when your hard at work
Yeah right, I'll be your trophy wife
spending your money when your hard at work, yeah

I'll spend your money for you, I'll look beautiful too
I'll spend your money for you, I'll look beautiful too
Yeah, I'll, Yeah, I'll, Yeah I'll be your trophy wife,
yeah, I'll be your trophy wife
I'll spend your money when your hard at work
yeah, I'll be your trophy wife

spending your money when your hard at work
Yeah right, I'll be your trophy wife
spending your money when your hard at work
Yeah right
