When we were younger remember when I ran away to  
be with you?  
And oh how I waited at the beach but you never did  
appear  
And I felt so disappointed waiting on you knowing you  
weren't going to show  
but you're the only one that made me smile all the time  
So you're the only one I could ever love with all my  
heart

Remember the time we all dressed up for just you?  
And you weren't happy something just wasn't right for  
you  
And do you remember all of the plans we made back  
then?  
And do you remember all of the hopes we had back  
then?  
But you were the only that made me smile  
But you were the only I loved with all my heart  
Cause you were the only one that made me smile  
You were the one that I loved with all my heart, with all  
my heart  
yeah you were the one I loved with all my heart, with all  
my heart  
yeah you were the one I loved with all my heart, with all  
my heart  
yeah you were the one that I loved with all my heart,  
with all my heart  
you were the one that I loved with all my heart, all my  
heart  
you were the one that always made me smile  
You were the one I would have done anything for  
You were the one  
Yeah you were the one  
You were the one

Throwing stones into the water making dreams  
There is nobody quite like you cause u were the one  
All I can do is hope that one day I will be at one with you  
Cause you were the one that made me smile, you  
made me smile

Cause you were the one, you made me smile you made  
me smile  
Cause you were the one I loved with all my heart  
Cause you were the one that made me smile, you were  
the one that made me smile  
Cause you were the one I loved with all my heart  
yeah you were the one I loved with all my heart  
you were the one I loved with all my heart  
you were the one I dreamt I would marry  
yeah you were the one I loved with all my heart  
yeah you were the one that made me smile everyday  
yeah you were the one I loved with all my heart  
you were the one that made me smile  
yeah you were the one I loved with all my heart  
you made me smile
