Guess I'd really like to know was it all just revenge  
Guess I'd maybe like to see if you were human again  
Leave it all out on the line for the world to see what a  
fool I've been  
Tell them all my story now, they should know what you  
did to me

So here we are my love, so we are  
And so here are my love giving up  
People tell me what is meant for me won't go by, won't  
go by  
People tell me what is meant for me won't go by, won't  
go by  
But why are you leaving me oh so far, oh so far  
Why if you needed me did you have to push one last  
time?  
People say what is meant for me won't go by, won't go  
by  
People say what is meant for me won't go by, won't go  
by  
Why my love are you leaving me?  
Had to push one last time  
Why my love are you breaking me?  
Had to push one last time  
People say what is meant for me won't go by, it won't  
go by  
People say what is meant for me won't go by, won't go  
by
