Wouldn't be tragic if I love you but you're too insecure
to believe it
Wouldn't be tragic if I gave my heart to the biggest
ba*tard in this earth
Wouldn't be tragic if the above was you
Wouldn't be tragic if this was a love hate cycle
Wouldn't be tragic if I see you in my dreams each night
Wouldn't be tragic if I knew you dream of me too
Wouldn't be tragic if you destroy me just to keep
appearances up
Wouldn't be tragic if I told the truth about you
Wouldn't be tragic if everybody knew
Oh wouldn't it be cruel

Oh yeah if you've really let me go why are you so
desperate just to look at me?
Yeah if you've really have let me go why are you still up
to your usual tricks?

Wouldn't be tragic if I knew betrayal was your favourite
pastime yet I still trusted you with my life
Wouldn't be tragic if my world revolved around you
Wouldn't be tragic if you insult the only one you love
Wouldn't be tragic if I heard the things you wouldn't
want me to hear
Wouldn't be tragic if that info was leaked

yeah if you've really let me go why are you so
desperate just to look at me?
Yeah if you've really have let me go why are you still up
to your usual tricks?
Wouldn't be tragic if I still loved you
Wouldn't be tragic if nobody else would do
Wouldn't be tragic if I kept coming back
Wouldn't be tragic if you kept being cruel
