Fuck the motherfucker
Fuck the motherfucker
Fuck the motherfucker
He's a fucking motherfucker

Fuck the motherfucker
Fuck the fucking fucker
Fuck the motherfucker
He's a total fucking fucker

Fuck the motherfucker
Fuck the motherfucker
Fuck the motherfucker
Fucking fuck the motherfucker

Fuck the motherfucker
Fuck the motherfucking Pope.
Fuck the motherfucker
And fuck you, motherfucker
If you think that motherfucker is sacred
If you cover for another motherfucker
Who's a kiddie fucker
Fuck you, you're no better
Than the motherfucking rapist

And if you don't like the swearing
That this motherfucker forced from me
And reckon it shows moral
Or intellectual paucity
Then fuck you, motherfucker
This is language one employs
When one is fucking cross
About fuckers fucking boys

I don't give a fuck if calling
The Pope a motherfucker
Means you unthinkingly brand me
An unthinking apostate

This has nowt to do with other
Fucking Godly motherfuckers
I'm not interested now

In fucking scriptural debate

There are other fucking songs
And there are other fucking ways
I'll be a religious apologist
On other fucking days

And the fact remains if you protect
A single kiddie fucker
The Pope, or Prince or plumber
You're a fucking motherfucker

You see I don't give a fuck about
What any other fucker
Believes about Jesus
And his motherfucking mother

I've no problem with the spiritual beliefs
Of all these fuckers
While those beliefs don't impact
On the happiness of others

But if you build your Church on claims
Of fucking moral authority
And with threats of Hell impose it
On others in society

Then you, you motherfuckers
Can expect some fucking wrath
When it turns out you've been fucking us
In our motherfucking asses

So fuck the motherfucker
And fuck you, motherfucker
If you're still a motherfucking Papist
If he covered for a single motherfucker
Who's a kiddie fucker
Fuck the motherfucker
He's as evil as the rapist

And if you look into your motherfucking heart
And tell me true
If this motherfucking stupid fucking
Song offended you
With its filthy fucking language
And its fucking disrespect
If it made you feel angry
Go ahead and write a letter
But if you find me more offensive
Than the fucking possibility
That the Pope protected priests

While they were getting fucking fiddly
Then listen to me motherfucker
This here is a fact:
You are just as morally misguided
As that motherfucking, power hungry
Self-aggrandised bigot
In the stupid fucking hat.
