i've been goin' out with a girl
her name is julie
but last night she said to me, when
we were wachting telly

she said listin john i love you
but there this bloke i fancy
i dont want to two time you so its the end for you and
me

whoose this bloke i asked her

not that not that puff i said dismay
yes but he's no puff she cried
hes more of a man than you'll ever be
i was so upset that i cried all the way to the chipshop
when i came out there was gordon standing at the bus
stop
and guess who was with him yer julie
and they were both laughing at me
she is cruel heartless, to pack me for gordon
just because hes better looking than me
just because he is cool and trendy

but i no he's a morron
