Well, I wish I was in London  
Or some other seaport town  
I'd set my foot on a steamboat  
And sail the ocean 'round

While sailin' around the ocean  
Sailin' around the sea  
I'm thinking of handsome Molly  
Wherever she might be

Oh remember, oh dear Molly  
When you gave me your right hand  
You said if you were to marry  
That I would be your man

Well, now you broke your promise  
Go and marry who you please  
While my poor heart is a breakin'  
You're goin' at your ease

While sailin' around the ocean  
Sailin' around the sea  
I'm thinking of handsome Molly  
Wherever she might be

Well, she goes to church on Sunday  
She passes me on by  
I can tell her love is changin'  
By the rovin' in her eye

Her hair is like a raven  
Her eyes as black as coal  
Cheeks they shone like lilies  
Out in the mornin' glow

While sailin' around the ocean  
Sailin' around the sea  
I'm thinking of handsome Molly  
Wherever she might be

While sailin' around the ocean  
Sailin' around the sea

I'm thinking of handsome Molly  
Wherever she might be

While sailin' around the ocean  
Sailin' around the sea  
I'm thinking of handsome Molly  
Wherever she might be
