Troubles and trials are almost over X 3
See what my lord has done
Keep your lamp trimmed and burnin X 3
See what my lord has done

Heaven's journey is almost over X 3
See what my lord has done
Brother don't you worry
Don't you worry
Don't you worry
See what my lord has done

Two thousand years have come and gone X 3
See what my lord has done
Brother don't you worry
Don't you worry
Don't you worry
See what my lord has done
Sister don't stop prayin
Sister don't stop prayin
Sister don't stop prayin
See what my lord has done.

Many are gone but not forgotten X 3
See what my lord has done
Keep your lamp trimmed and burnin X 3
See what my lord has done

Brother don't you worry
Don't you worry
Don't you worry
See what my lord has done
Brother don't stop prayin
Sister don't stop prayin
Sister don't stop prayin
See what my lord has done.

Keep your lamp trimmed and burning X 3
See what my lord has done
Keep your lamp trimmed and burning X 3
See what my lord has done
