You close the door in front of me, I wait patiently  
outside  
But as the minutes tick away I feel the anger rise  
Who's the object of this rage, who's not being fair  
Is it you for your indifference or me for just standing  
there

CHORUS:

In my mind the room beyond is bathed in golden light  
I dream about you through the day and I toss and turn  
at night  
Sometimes it's hard to understand, they say that  
pride's a sin  
Should I go or should I stay on the outside looking in

I didn't make the grade today and I'm not the only one  
But my heart, it won't stop hurting and feeling all alone  
Maybe we'll trade places in some not too distant year  
I'll hear your voice calling out, I'll cover up my ears  
CHORUS

I could brag on things I've done or the places I have  
been  
But I never found a cure for on the outside looking in  
Sometimes it's hard to understand, they say that  
pride's a sin  
Should I go or should I stay on the outside looking in
