It's been one of those days, when the world's in the way. And trouble keeps coming to call.  
And the weight of my worries is dragging me down,  
and I need a place I can fall.

Well I'm glad the sun's setting, I'm glad that day's done, and the night wind is starting to blow.  
I don't have much in this world to my name, but I have a place I can go.

Safe in your arms, safe with you holding me tight.  
Safe in your arms. Safe in your arms tonight.

I thank the Lord, that brought me to you. I thank you for being my friend.  
For giving me hope and undying love, and a place I can dream once again.

Safe in your arms, safe with you holding me tight.  
Safe in your arms. Safe in your arms tonight.

Safe in your arms, safe with you holding me tight.  
Safe in your arms. Safe in your arms tonight.
