Walking Boss
Walking Boss
You're the Boss
But I don't belong to you

I belong
I belong
I can get along
With that steel driving crew

I went to the captain
Said I need a job
Said I need a job
And he said son what can you do

Said I can line the track
I can line the track
I can low the jack
I can pick and shovel too

Walking Boss
Walking Boss
You're the Boss
But I don't belong to you

Well I asked my captain
Said whats the time of day
I asked for the time of day
And he said he threwed his watch away

Walking Boss
Walking Boss
You're the Boss
But I don't belong to you

I belong
I belong
I can get along
With that steel driving crew

Now this old hammer

It killed John Henry
Killed John Henry
But it damn sure won't kill me

Im-a go down the mountain
See my baby
See my baby
And I ain't ever coming back

Walking Boss
Walking Boss
You're the Boss
But I don't belong to you

I belong
I belong
I can get along
With that steel driving crew

Well there ain't no hammer
On this here railroad
On this here railroad
That can ring half as big as mine

Ring like silver
Shine like-a gold
It ring like silver
And it shine just like gold

Walking Boss
Walking Boss
You're the Boss
But I don't belong to you
