Because I believe and have found salvation  
(bass-when I die) (lead and tenor- when I die)  
I'll live again  
That I may take part in the jubilation  
(tenor-when I die) (lead and bass-when I die)  
I'll live again

Chorus:

(bass-When I die) (lead and tenor-when I die)  
I'll live again (tenor and bass-live again)  
Halleluia I'll live again  
Because I'm forgiven my soul will find heaven  
(tenor-When I die) (lead and bass-when I die)  
I'll live again (tenor-I'll live again)  
The fear of the grave is removed forever  
(bass-When I die) (lead and tenor- when I die)  
I'll live again  
My soul will rejoice by the crystal river  
(tenor-When I die) (lead and bass-when I die)  
I'll live again

Chorus

Because to the lord I have made confession  
(bass-When I die) (lead and tenor- when I die)  
I'll live again  
But now on my soul there is no transgression  
(tenor-when I die) (lead and bass-when I die)  
I'll live again

Chorus
