On another day c'mon c'mon
With these ropes tied tight can we do no wrong
Now we grieve cause now is gone
Things were good when we were young

With my teeth locked down I can see the blood
Of a thousand men who have come and gone
Now we grieve cause now is gone
Things were good when we were young

Is it safe to say? (c'mon c'mon)
Was it right to leave? (c'mon c'mon)
Will I ever learn? (c'mon c'mon)
(c'mon c'mon c'mon c'mon)

As I make my way c'mon c'mon
Through these bitter nights that seem too long
Now we grieve cause now is gone
Things were good when we were young

With my teeth locked down I can see the blood
Of a thousand men who have come and gone
Now we grieve cause now is gone
Things were good when we were young

Is it safe to say? (c'mon c'mon)
Was it right to leave? (c'mon c'mon)
Will I never learn? (c'mon c'mon)
(c'mon c'mon c'mon c'mon)

Is it safe to say? (c'mon c'mon)
Was it right to leave? (c'mon c'mon)
Will I never learn? (c'mon c'mon)
(c'mon c'mon c'mon c'mon)

And know this day these deepened wounds don't heal
so fast
Can't hear me croon of a million lies that speak no truth
Of a time gone by that now is through
