You've been talking all this shit
You've been talking all this shit
I think it's time for you to quit
Start singing
Yeahhhh

You're not the apple of my eye
You're not the apple of my eye
You are the one that I despise
Start singing
(na na na na na na na na na na na na na na na na)

You've been talking all this shit
and I think it's time for you to quit
You're not the apple of my eye
You are the one that I despise
Start singing
(na na na na na na na na na na na na na na na na)
