In the pack of your mind
I've got a grip on your brain
YOU'RE POSSESSED!
No matter where you are you'll be thinking of me!
I OWN YOU!

I'm your GRIPPING OBSESSION!
Festering! Lying obsession!
OBSESSION!

You'll be lying in the ground
Six feet under
STILL obsessed with me

I'M YOUR GRIPPING OBSESSION!
I'M YOUR GRIPPING OBSESSION!

Every second of the day
I'm gnawing at your brain
You can't get rid of me
You'll NEVER BE THE SAME!
Your BRAIN'S SLIPPING
Your mind's going
GET THIS THROUGH YOUR HEAD!
I'M NEVER GOING AWAY!

I control your every more
I tell you what to do
DO WHAT I SAY!
You can't walk away
From this grip on your brain
YOU'RE MINE!!!

I'M YOUR GRIPPING OBSESSION!
