Now you're dead!
I'll chop you up
I'm sorry to dismember you, but I love it!

Cut your head and now your dead, boy!
METAL MASSACRE!

Cut you up!
It'll be over soon!
What did I do?!
Momentary lapse of insanity

METAL MASSACRE!
METAL MASSACRE!

Crunching bones and bleeding heads
And fingers falling
DOWN! DOWN! DOWN! DOWN! DOWN! DOWN!
DOWN!

METAL MASSACRE!
METAL MASSACRE!

Bones, arms, legs, heads, fingers falling DOWN!
DOWN! DOWN! DOWN! DOWN! DOWN!
