C'est si bon
Lovers say that in France
When they thrill to romance
It means that it's so good

C'est si bon
So I say to you
Like the French people do
Because it's oh so good

Every word, every sigh
Every kiss, dear
Leads to only one thought
And the thought is this, dear

C'est si bon
Nothing else can replace
Just your slightest embrace
And if you only would
Be my own for the rest
My days
I will whisper this phrase
My darling
C'est si bon

C'est si bon
De partir n'importe où¹
Bras dessous bras dessous
En chantant des chansons
C'est si bon
De se dire des mots doux
De petit rien du tout
Mais qui en disent long
C'est si bon
C'est si bon
Si bon, si bon, si bon

Every word, every sigh
Every kiss, dear
Leads to only one thought
And the thought is this, dear

It's so good
Nothing else can replace
Just your slightest embrace
And if you only would
Be my own for the rest
My days
I will whisper this phrase
My darling
C'est si bon
It's soo good
Si bon, si bon
