Quero ver ya  
I never knew it could feel so funny  
Like a gambling game when you got no money  
The stakes are high and I might just lose you  
I don't know why but I think that you do

I don't know, I don't know, I don't know was it mine or  
your mistake  
Let me see, let me see, let me see did I make you walk  
away  
Uptown, downtown, all around they're telling all kind of  
lies  
But I'm now and I'm here and I want you to open up  
your eyes

I'll be here for you baby  
Oh, can't you see I miss you so bad, I go crazy  
You could have it all, the beauty, the power  
If you just come and step down from your ivory tower

Eu pensei que foste tu que de?xas-te  
Mas fui eu, e tu sempre me amas-te  
I guess I took you too much for granted  
And made you feel so alone and stranded

I don't know, I don't know, I don't know was it mine or  
your mistake  
Let me see, let me see, let me see did I make you walk  
away  
Uptown, downtown, all around they're telling all kind of  
lies  
But I'm now and I'm here and I want you to open up  
your eyes

I'll be here for you baby  
Oh, can't you see I miss you so bad, I go crazy  
You could have it all, the beauty, the power  
If you just come and step down from your ivory tower

I could use my magic potion  
But it might not make you stay

I could talk so much to turn your head  
But you'd just walk away  
So instead I'm at your front door  
Making a fool out of myself  
When you open up and look me in the eye  
Nao te podes defender

I'll be here for you baby  
Oh, can't you see I miss you so bad, I go crazy  
You could have it all, the beauty, the power  
If you just come and step down from your ivory tower
