Elvis Presley:She loves me, she loves me not
She loves me, she loves me not
She loves me, she loves me, she loves me
The lady loves me and it shows
In spite of the way she turns up her nose
I'm her ideal, her hearts desire
Under that ice she's burning like fire
She'd like to cuddle up to me
She's playing hard to get
The lady loves me, but she doesn't know it yet
Ann-Margret:
The gentleman has savoir-faire
As much as an elephant or a bear
I'd like to take him for a spin
Back to the zoo to visit his kin
He's got about as much appeal as a soggy cigarette
The lady loathes him but he doesn't know it yet
Elvis Presley:
The lady's got a crush on me
Ann-Margret:The gentleman's crazy obviously
Elvis Presley:The lady's dying to be kissed
Ann-Margret:The gentleman needs a psychiatrist
I'd rather kiss a rattlesnake
Or play Russian roulette
Elvis Presley:The lady loves me, but she doesn't know it
yet
Elvis Presley:She's falling fast she's on the skids
Ann-Margret:Both of his heads are flipping their lids
Elvis Presley:Tonight she'll hold me in her arms
Ann-Margret:I'd rather be holding hydrogen bombs
Will someone tell this Romeo
I'm not his Juliet
Elvis Presley:The lady loves me, but she doesn't know it
yet
Elvis Presley:She wants me
Ann-Margret:Like poison ivy
Needs me
Ann-Margret:Like a hole in the head
Elvis Presley:Everyone can see she's got it bad
Ann-Margret:He's mad!
The gentleman is an egotist
Elvis Presley:I'm simply aware I'm hard to resist

Ann-Margret:He's one man I could learn to hate
Elvis Presley:How's about having dinner at eight?
Ann-Margret:I'd rather dine with Frankenstein
In a moonlight tete-a-tete
Elvis Presley:The lady loves me, but she doesn't know it
yet
Elvis Presley:Oh yes she loves me
Ann-Margret:Dig that shrinking violet
Elvis Presley:Oh she really loves me
Ann-Margret:Here's one gal you'll never get
Elvis Presley:She lo- lo- loves me
Ann-Margret:Would you like to make a bet?
Elvis Presley:I said the lady loves me
Ann-Margret:The gentleman's all wet
