[Chorus: Babyface]

I'm not saying this to shame you or sing  
I'm just saying this to wake you up saying  
It's all good when we're making love  
All I'm asking is don't take our love  
For granted, 'cause granted my love for you is real  
(ooohh)  
If you don't love me, somebody else will  
Babygirl don't you, ever, get too, comfortable  
(comfortable)

[Lil Wayne]

To the left, to the left  
If you wanna leave, be my guest you can step  
Feeling +Irreplaceable+ listening to +BeyoncÃ©+  
Well okay I put you out on your +B'Day+  
Hey, now if you rocking with Weezy  
Bedroom in the bank baby we safe  
I got game like EA  
But I wanna let you play  
And don't I treat you like soufflÃ©  
Don't I look at you like I see a new day  
And don't I do what I do say  
I'm through talking so I'ma let you 'face  
And let 'ye do "ye

[Chorus]

[Lil Wayne]

Yeah, let me catch my breath  
Talking 'bout leaving, and you ain't gone yet  
And if you leave, leave correct  
And I'ma send a jet to pick up the next  
And if you leave, you leaving the best  
So you will have to settle for less  
And I am no Elliott Ness  
I don't handcuff, I don't arrest  
I do confess to the bird seed  
'Cause under the sheets I am a mess  
Yes, baby you're blessed  
Now just don't jump your nest, come on

[Chorus]

[Lil Wayne]

Yeah, it's no sweat, no sweat  
I would never 1, 2, 3, 4-get about  
You, your love, your sex  
You know I work you out like Roflex  
Hehe, I jokes no stress  
Love, live life, proceed, progress  
Make sure the neighbours get no rest  
We can get together never disconnect  
Yeah, yo' back yo' neck  
Funny how that song hasn't got old yet  
To us, so let's project  
You stay in, never incorrect 'face

[Chorus]
