(Intro)

Monogamy or whatever you call it, we started thinking
for everybody

Most of us is rushing into it anyway, know what I'm
sayin?

Skit

(Hook)

Is it bad that I never made love? No I never did it
But I sure know how to fuck

I'll be a bad girl, I'll prove it to you

(Bridge)

Is it bad that I never made love? No I never did it
But I sure know how to fuck

(Verse)

Let's get it

So it seems that we fiend what we don't need

Ain't bout to judge you, no judge me

In the letter of sense I mean that

Plus sexing and I love ya

But to kiss ya I'mma say you mean nothing

Or the irony got a bomb of D

But the polymer's probly gonna be plastic

I don't need emotion to open your deep sea

No bed, flo', dope

Slow mo-tion around

Put it down, Lord knows she's going for the morn' hold
up

(Hook)

Is it bad that I never made love? No I never did it
But I sure know how to fuck

I'll be a bad girl, I'll prove it to you

(Verse)

Let me tell you bout her

Look, she hurt feelings, she break hearts

She stay quiet, she play smart

She take pride, I'm going out

She don't really fake much but this nose up

Heard you when the time comes shorty follow thought

Baby like a bad poach how they caught you

All the mind games, never mind cuz they all lose
(Bad love) in the physical sense I mean that
I ain't tryina kiss up, suck up, feed gas
Trust me, I humble your mean ass
Look, shorty gets actually I'm prevent
More, shower, lord, perm ' done
(Hook)

Is it bad that I never made love? No I never did it
But I sure know how to fuck
I'll be a bad girl, I'll prove it to you
(Bridge)

Is it bad that I never made love? No I never did it
But I sure know how to fuck
