Yeah, yeah
Yeah

Now here I go, Timbaland will never bring the same old
flow

When the game was mold, I'ma hold my own
Look at these women they wanna sing my song
While they sing my song and they say my name

Look at they ready to go and play my games
I'ma pick the one and say it ain't no thing
I'ma get the one that wanna drop that thing
Can you top that thing?

I'ma ride or die, ride through the corners like who am I
Shorty I'm the one with the pump on five
This is America, can you jump that high?
Girl show it to me

I see you backside, pokin' through your coat
Come here girl let me take your coat
Now I want you drop it to the floor
And she say, go head baby
(I'm genuine baby, I'm genuine baby)

Go head baby, oh, let me see that throwback baby
Oh, let me see that throwback baby, go head baby
(I'm genuine baby, I'm genuine baby)
Go head baby, oh, let me see that throwback baby
Oh, let me see that throwback baby

Now shorty take your time I'ma sip Hennessey
While you taste that wine till we both feel fine
Well I, I think I really wanna stay for a while
Bring some of your friends and we can play for a while

Like hide and go get and when I get you deny
Make you turn around and put them hips in the sky
Fucklin' the ways I wanna hit till I'm tired
And you could stick around, we can dip for the night

Timbaland, just a man on the go

When we gonna meet again, I just don't know
But I'ma have to stay for the show
I think I wanna see you take the stage once mo', while I
say
(Say)

I see you backside, pokin' through your coat
Come here girl let me take your coat
Now I want you drop it to the floor
And she say, go head baby
(I'm genuine baby, I'm genuine baby)

Go head baby, oh, let me see that throwback baby
Oh, let me see that throwback baby, go head baby
(I'm genuine baby, I'm genuine baby)
Go head baby, oh, let me see that throwback baby
Oh, let me see that throwback baby

I knew I cut real hard, this the fifteenth song
And your man pagin' you, he know you doin' somethin'
wrong
Girl take a X pill, drink a little yak
Eat two power bars, I'ma hit it from the back

My dick is like a Tech 9, you gon' respect mine
I need some top piece, blow me till that head shine
Ooh, never cums, that's why she must fuck me
I hit it 49 states, next Kentucky

So take off your coat, take off your throwback
I ordered some ooze and ate of your toe back
Make your ass clap, make your pussy snap
So deep, so wet, my dick's swimmin' laps

Make your ass clap, make your pussy snap
So deep, so wet, my dick's swimmin' laps
Perhaps we can menage to jazz
I like blonde hair chicks, like candy ass

I see you backside, pokin' through your coat
Come here girl let me take your coat
Now I want you drop it to the floor
And she say, go head baby
(I'm genuine baby, I'm genuine baby)

Go head baby, oh, let me see that throwback baby
Oh, let me see that throwback baby, go head baby
(I'm genuine baby, I'm genuine baby)
Go head baby, oh, let me see that throwback baby
Oh, let me see that throwback baby
