Yeahh babyy
ooh girl

[Verse 1]
Since youve been gone
I feel my life slippin away
I look to the sky
but everythings turning gray
all Ive made was one mistake
how much more will I have to take
why cant you think it over
why cant you for get about the past

[Chours]
Cuz love makes a sound baby
our heart needs a second chance
but dont put me down baby
cant you see I love you
since youve been gone
Ive been in a trance
this heart needs a second chance
dont say its over
I just cant say goodbye

[Verse 2]
So this is love
Im standing in the pouring rain
I fooled on you
but she never made me think
and I know I aint got no right
to ask you to sympathize
Why cant you think it over
Why cant you forget about the past

[Chours]
Cuz love makes a sound baby
our heart needs a second chance
but dont put me down baby
cant you see I love you
since youve been gone
Ive been in a trance

this heart needs a second chance
dont say its over
I just can't say goodbye

My heart needs a second chance
dont put me down baby
My heart needs a second chance
My heart needs a second chance
Say goodbye, dont ever ever say goodbye
My heart needs a second chance(yeahhh babyy)
